See What You Know About the Korean War

Answer each of the following questions as best you can. This is an inventory of what you know about the Korean War. It is nothing more than that.

1. When did the Korean War begin (dd/mo/yr)? In what year did it end?

2. Who attacked whom first? _____

3. Did the North Korean army occupy Taegu and Pusan? _____

4. What was the Inchon Landing? Why was it important to the course of the war?

5. Who was the president of South Korea during the war? Of North Korea?

6. How many times was Seoul sacked by an invading army during the Korean War?

7. Along what line of latitude was Korea divided? _____

8. Who was the president of the United States during the time of the Korean War?

9. Who was the leader of the USSR (Soviet Union) during the Korean War?

10. Name at least three countries (besides South Korea, North Korea and the United States) that sent troops (air, land or sea) as part of their United Nations' commitment to fight in the Korean War.
